Hi, Greg! Looking forward to seeing you when we come out to FMC. Listen, do you have a copy of the Argonne report? I understand its still draft? But I'd love a copy. Thanks,

Lisa

**Upcoming:**

Eastern Michaud Flats/FMC (near Pocatello, ID): On Monday, September 21st, Argonne National Labs will be presenting their findings related to the independent review of potential excavation and treatment technologies for the FMC Operable Unit to EPA HQ and the Shoshone Bannock Tribes at Fort Hall. They will present an executive level summary to Tribal Council and then spend several hours answering questions from tribal staff. Region 10 Superfund staff are not participating in the meeting.
